THIS WEEK'S NEWS ON AFFAIRS OF THE HEART

Hayley Roberts & David Hasselhoff

## Find Wedding Inspiration in Mexico

**D**avid Hasselhoff can't stay away from the beach. The former *Baywatch* star whisked fiancée Hayley Roberts to Mexico's Excellence Playa Mujeres resort on Isla Mujeres to celebrate David's 64th birthday on July 17 as well as Hayley's older sister's wedding a few days later! "It's paradise," David tells *Closer* of the beautiful location. The scenic ceremony also got David and Hayley excited for their own impending walk down the aisle. "Her heart is set on getting married in Italy," David reveals, adding that while he and Hayley, 36, don't have a date set yet, their big day "will be intimate and personal. It is going to be great!"

"Hayley is someone you could share your life with."
