Ice-T And Coco Renew Vows, Snoop Dogg Looks On

Posted 6/4/11 1:34 pm ET by MTV News in Interviews, Music News, Things That Aren't Hip-Hop ... But Are

It was an event to celebrate one of the biggest players and his two times bride. Yesterday evening rapper and actor Ice-T and his smokin' wife Coco renewed their vows on their 10th wedding anniversary with an intimate ceremony at the exquisite W hotel in Hollywood. The married couple were decked out in all white everything, exchanging vows in front of an audience that included family and friends. Ice-T's son, Lil Ice, rapper Snoop Dogg and Bishop Majic Don Juan were also on hand for the ritual. At one point both Snoop and the Bishop saluted Ice, as one of the most successful pimps to take the entertainment industry by storm.

Recently Ice expounded on his relationship with Coco and how the couple ended up in holy matrimony.

"I think whenever you meet somebody the first thing is physical attraction" Ice-T told pr.com. "That's the first thing you do, you look at somebody and picture: can you imagine being intimate with the person. But at that time in my life I wasn't really ready for just another lustful adventure. I wanted something a little more. I was ready to slow up and I was trying to find a partner. Honestly, I thought she was too pretty to be, as you would say, domesticated. Like, can we fit at home or is this a girl who just wants to party? But she was like, "No, I'm ready. Let's just go snuggle someplace and do home stuff."

Ice and Coco's nuptials come just a few weeks before the premiere of the their reality show, "Ice Loves Coco," airing on E! on June 12th at 10:30 PM EST.
