Ice-T might love Coco, but right now he's pretty mad after photos of his wife getting flirty with another man surfaced online.

Ice is reportedly upset over photos Coco took with Oakland rapper AP.9 while in Las Vegas for her Peepshow stint, according to TMZ. The photos surfaced Dec. 7, showing Coco and AP.9 hugging, dancing and cheek-kissing. One photo shows AP.9 nuzzling into her neck.

"Don't get it twisted, I'm not happy about this s**t," Ice-T tweeted, according to TMZ. "Most of [the pics are] disrespectful and in bad taste. She's made me look and feel like s**t. I say this on Twitter because there's no way to avoid the obvious misconduct of a married couple." His posts have since been removed.

GossipCop reported Coco initially brushed off the photo controversy. "Woke up to people in a panic about some pics, please guys I'm happily married, sometimes fans & friends take silly pics. Its harmless. #RELAX," read the tweet, which has also been deleted.

Coco denied rumors she cheated on Ice with AP.9. "It's not true," a rep for the Vegas performer told RumorFix. "He's a guy that's been around our production crew. He's cool with everybody!"

On Saturday, Coco apologized.

Twitter tweet from @cocoworld: Ice is right,the pics I took with this man were in poor taste & I disrespected my husband however the pics were the only thing that happened

Twitter tweet from @cocoworld: I feel so sad,the bottom line is I love Ice & I can understand why he's upset theres no excuse for my actions.I'm so sorry baby & to evryone

Coco also retweeted a series of supportive messages from fans.

Coco and Ice, whose relationship is documented on the E! reality series "Ice Loves Coco," wed in 2001 and renewed their vows last year. In an interview last May, the two discussed married life with PR.com.

"Honestly, I thought she was too pretty to be, as you would say, domesticated," Ice told PR.com when asked if it was lust at first sight. "Like, can we fit at home or is this a girl who just wants to party? But she was like, 'No, I'm ready. Let's just go snuggle someplace and do home stuff.'"

He continued, "She means what she says, she didn't lie, she's honest and she wasn't materialistic. She was just like, 'If you treat me right, I'll treat you right.' That's pretty much the basis to any good deal, just treat each other right. She's lived up to the deal for the past ten years."
