

## Cashmere Coziness

It's those little touches of warmth and elegance that make a house a home and a fine cashmere throw blanket from Ativa Sativa is that finishing touch. The perfect accessory over a living room sofa or at the foot of a bed, these 100 percent pashmina cashmere throw blankets are butter soft and feel just like a hug on a crisp winter day. Available in a variety of colors including Lilac, Coffee and Burnt Orange, these luxurious blankets retail for \$335 and are available at [ativasativa.com](http://ativasativa.com).
