Earthlings DVD
 Narrated by Academy
 Award-Nominated Actor
 Joaquin Phoenix
 Directed by Shaun Monson

NEW!

Joaquin Phoenix narrates this thought-provoking documentary, exposing the cruelty of the food, clothing, entertainment, and experimentation industries. *Earthlings* is the most comprehensive documentary ever produced on the

interrelatedness of humankind, nature, animals, and economics. Using hidden cameras and never-before-seen footage, *Earthlings* chronicles the day-to-day practices of some of the largest animal-dependent industries in the world. A must-have for any animal rights library and to share with friends and family.

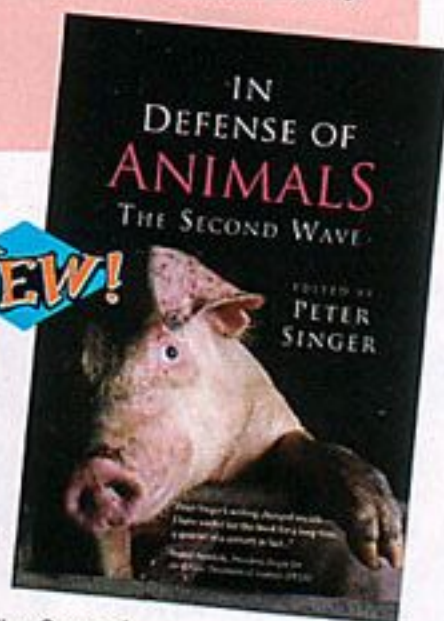

Run time: 95 minutes.

**In Defense of Animals:
 The Second Wave**
 edited by Peter Singer, author of
Animal Liberation

NEW!

Peter Singer, author of *Animal Liberation*—the book long considered the “bible” of animal rights—brings us up to speed with the state of the animal rights movement that his classic work helped to inspire. *In Defense of Animals: The Second*

Wave brings together the best current writing about animals by philosophers and activists. Essayists include Bruce Friedrich, PETA's director of vegan outreach; Matt Ball, cofounder of Vegan Outreach; Dale Jamieson, professor of environmental studies and philosophy at New York University; Peter Singer himself; and many more.

**PETA's
 Kind Kids
 Flashcards**

Did you know the following animal facts?

- Hens love their babies, and when it rains, they will shelter their chicks under their wings.
- Ants use their antennae not only for touch, but also for their sense of smell.
- Rats are fastidiously clean, grooming themselves several times a day.

PETA's new, specially designed flashcards are a fun way to teach your child about animals. Filled with beautiful photos, interesting facts, touching stories, and suggested activities, these cards are made to last with sturdy, laminated cardboard. 37 cards per pack. For ages 1 and up.
